AMENDMENT

Mail Stop Non-Fee Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

A response to the restriction requirement set forth in the Office Action mailed February 25, 2003, is being mailed separately but concurrently. That response includes an election of Group I (i.e., claims 10-18 as filed). This fact, as well as the inclusion of the as-filed title in PAIR, lead Applicants to believe that none of Amendment A (mailed July 30, 2003) has been entered including, e.g., amendment to the title, etc.

Accordingly, Applicants kindly request that the application be amended as set forth in the following pages:

- **Amendments to the specification** begin on page 2 of this submission.
- **Amendments to the claims** begin on page 3 of this submission.
- **Amendments to the Abstract** begin on page 6 of this submission.
- **Remarks** begin on page 7 of this submission.
